Terms and Conditions – Credit Agreement

In Consideration of Wesco Distribution Canada LP and all of its subsidiaries, affiliates and unincorporated divisions as such may exist from time to time and may be named in Wesco International , Inc’s form 10-K available at <http://wesco.investorroom.com/sec-filings> (collectively and herein after referred to as “Seller”) permitting the purchase of goods and services on a credit basis, the Applicant hereby agree to the following terms and conditions: By signing below, Applicant warrants that (i) he or she is a duly authorized representative of the Applicant with full legal authority to bind the same by execution of this Application and (ii) the information provided to Seller in this Application and any other provided financial statements are accurate, truthful, current and complete, and that such information is provided for the purpose of inducing Seller to extend credit to Applicant for the purchase of products, software, and/or services. Seller reserves the right to decline credit to any Applicant and shall have the right to cancel this Application at any time without notice to Applicant. Applicant authorizes Seller (and its authorized representatives) to (i) obtain and monitor credit reports and/or other information regarding Applicant’s business from any source, including but not limited to, all references, bank confirmations and banks listed in this Application and any credit reporting and granting institutions, and (ii) release, disclose and collect information to and from credit reporting and granting institutions and bureaus, financial institutions, Applicant’s creditors, or to and from entities that the Applicant have identified on the Application form regarding Seller’s credit experience with Applicant. Any references to a granted amount of credit in this Application will not be deemed a limitation of Applicant’s liability. The Applicant agrees to hold the Seller harmless for any inconvenience whatsoever caused by either a temporary or permanent withdrawal of credit privileges whether or not the Applicant received any advice of such withdrawal. It is understood and agreed that Payment terms for Seller invoices are thirty days from invoice date (the “Due Date”), unless otherwise agreed to by the parties in writing. Seller accepts payment on accounts with Approved terms, by cheque, EFT and On-Line Banking. Most major credit card payments are accepted only at POINT OF SALE. All amounts not paid on or before the Due Date will be deemed PAST DUE and the Applicant agrees to pay interest on all past due amounts at the rate of 24% per annum, calculated daily and payable monthly (2% per month). This rate is subject to change upon notice by Seller to the Applicant by either email or ordinary mail. I/We agree to pay all collection costs including Solicitor costs on a Solicitor and Client basis, which may arise from non-payment of the account. By signing below, Applicant acknowledges and agrees that, effective upon Seller granting any credit to Applicant, (i) all sales of products, software and services to Applicant are, to the extent not inconsistent with the terms in this Application, subject to Seller’s [Terms and Conditions of Sale, available at www.wesco.com/termsofsale](http://www.wesco.com/termsofsale), in effect at the time of such sale, which are expressly incorporated into and shall govern each transaction between Seller and Applicant, (ii) Seller’s provision of credit for the supply of products, software and services constitutes fair and sufficient consideration in exchange for the applicability of such standard Terms and Conditions of Sale, (iii) each of Seller’s quotes is a firm offer to sell. If Seller extends credit to Applicant, Applicant shall then be referred to as Customer or Buyer in Seller’s Terms and Conditions of Sale, and (iv) consents to receiving electronic communications (e.g. promotions, product Information, etc.) from Seller and its Affiliates. I understand that I can withdrawal my consent at any time by notifying Seller in writing. Any variance from such Terms and Conditions of Sale will be effective only if agreed to in writing by Seller prior to the time of sale. Seller reserves the right to convert any payment into electronic funds at its discretion. This Application is deemed to be made in the Province of the Seller’s Financial Service office in receipt of this Application for Credit and any breach of this contract may at the sole election of the Seller be litigated in any competent court in Canada.
